Duffy's Is Good For Run Down People

As a tonic for run down people, Duffy's Pure Malt Whiskey is reliable. This lady gained strength and weight by using Duffy's as directed.

She wrote as follows:

"About a year ago I was down with a very heavy cold and I had a bad pain under my shoulder blades. I was under the care of different doctors but did not improve. I was so weak I could hardly stand, and I could not keep anything on my stomach. A druggist near where I lived advised taking a tablespoonful of Duffy's Pure Malt Whiskey with an egg in milk before meals, and after following his advice I found that I could eat; I overcame my weakness, and gradually gained weight. I believe that Duffy's Pure Malt Whiskey is a tonic for run down people in a great thing, and I recommend it to my many friends in Brooklyn and New York. I cannot praise Duffy's Pure Malt Whiskey too much." Mrs. Mary Carmody, 116 N. Elliott Avenue, Brooklyn, N. Y.

MRS. MARY CARMODY

Duffy's Pure Malt Whiskey

taken just before mealtime stimulates the mucous surfaces and little glands of the stomach to healthy action, improving the digestion and assimilation of the food and giving to the system its full proportion of nourishment. This action upon the digestive process is of great importance, as it brings to all the tissues and organs of the body the nutriment necessary to their sustenance and indirectly to the whole system strength and vigor. It is prescribed by doctors and is recognized as a family medicine everywhere.
